

RELIVE YOUR GIRL SCOUT MEMORIES!

Join the Girl Scout Alumnae Association

We are looking for former Girl Scouts to reconnect with an estimated 50 million women to form one of the largest, most diverse, and powerful networks of women in the country.

As a Girl Scout alumna, you know firsthand the impact that a positive program can have on a girl's life. Whether you are actively involved with Girl Scouts or not, you can stay connected through the National Girl Scout Alumnae Association as well as with your local Girl Scout council.

We want to know where you began your Girl Scout experience, your achievements, and your best memories. This includes whether you were a Girl Scout (including Brownie Scouts), a volunteer, or a staff member who worked at the national level or at any Girl Scout council across the country.

Below, please complete local council questionnaire of Girl Scouts of Gulfcoast Florida, Inc., and submit it to register. You also have the option of registering with the National Alumnae Association of Girl Scouts of the USA, our national organization. There is no fee to register with either organization.

If you currently live in or regularly visit the Gulf Coast of Florida, you will be added to our local database for correspondence to keep you connected with the local council, Girl Scouts of Gulfcoast Florida, Inc. You will also be invited to any pre-anniversary events and the 100th anniversary celebration of Girl Scouts of the USA in 2012 and the 50th anniversary of Girl Scouts of Gulfcoast Florida, Inc.

Today's date _____ / _____ / _____

My full name as a girl member _____

My full name as an adult member _____

My current address is _____

My permanent address is _____

My phone number is _____
