## Message from the Board President and CEO

Rae Dowling, Board President

Mary Anne Servian, CEO

What an exciting year this has been for Girl Scouts of Gulfcoast Florida! We began with a nationwide search for a new CEO, and the ideal match was right here in our backyard. With extensive experience in nonprofit management and civic and political engagement, Mary Anne serves as a role model for our girls as she continues to raise awareness for the life-changing rewards of Girl Scouts.

### We've had our challenges.

Together as Girl Scout sisters, we faced Hurricane Irma with great courage and reached out to help those in need. We've responded to ever-increasing marketplace competition by renewing our commitment to deliver the best leadership program in the world for girls—developed specifically for girls, by girls, and with girls—in an empowering all-girl, girl-led, and girl-friendly environment.

### We've had our successes, too!

The biggest highlight of the year was the **G.I.R.L.** 2017 convention in Columbus. It was inspiring to see our council's Girl Delegates participate in the General Session and cast important votes related to the governance of Girl Scouts of the USA. The experience of 10,000 young women sharing their stories and passion for Girl Scouting was electric—there's a future president in that crowd!

We also added many new programs and badge offerings, including 23 STEM/Outdoor badges. Our girls need to be prepared to assume leadership roles in every career path. These programs will fill the job pipeline in the most important sectors of our economy.

We sincerely want to thank every family, volunteer, and community supporter for helping facilitate each girl's quest to be

an outstanding young woman and future leader. Your gift of time, talent, and treasure enables Girl Scouts of Gulfcoast Florida to deliver high quality programs to all, including girls in underserved communities. The Girl Scout Leadership Experience allows every **G.I.R.L.** to unleash her inner power at a critical time in her life, preparing her for a lifetime of leadership. At any given moment, a **G.I.R.L.** might be a **Go-getter**, **Innovator**, **Risk-taker**, or **Leader**. Your invaluable support makes this possible for our 6,000 bright stars!

With much appreciation,  
Rae Dowling, Board President

Mary Anne Servian,  
Chief Executive Officer

Open only to girls in high school, the Girl Scout Gold Award represents the highest achievement in Girl Scouts. Projects require a minimum of 80 hours to complete, and must follow a rigorous series of steps, including identifying an issue, investigating it thoroughly, getting help and building a team, creating a plan, presenting the plan, gathering feedback, taking action, and educating and inspiring others. Gold Award Girl Scouts are changing the world—or at least their corner of it—one project at a time. Pictured below are Girl Scouts of Gulfcoast Florida's 2017 Gold Award Girl Scouts (not pictured: Shreya Mistry).

## Girl Scouts of Gulfcoast Florida's 2017 Young Women of Distinction

The Annual Young Women of Distinction is our favorite event of the year! On one Sunday each May, hundreds of girls, along with their family and friends, gather to celebrate their Girl Scout accomplishments. In 2017, we welcomed more than 1,300 attendees from throughout our ten-county area. In addition to the Gold, Silver, and Bronze Award Girl Scouts, we also recognized the top Cookie Entrepreneurs, along with girls who have earned the Journey Summit Award, Religious Recognitions, and the Dr. Elinor Crawford Girl Scout College Scholarship.

# The Girl Scout Leadership Experience

Girl Scout program outcomes are measured through annual surveys administered in late spring. The survey questions have been professionally developed and tested by Girl Scouts of the USA. We are pleased to share the results from members of the Gulfcoast Florida Council, which illustrate how Girl Scouts perform better than their non-Girl Scout peers in the following five areas:

## Sense of Self

**81%**

have confidence in themselves and their abilities, and form positive identities (non-Girl Scouts, nationwide: 68%).

## Positive Values

**77%**

act ethically, honestly, and responsibly, and show concern for others (non-Girl Scouts, nationwide: 59%).

## Challenge Seeking

**58%**

take appropriate risks, try things even if they might fail, and learn from mistakes (non-Girl Scouts, nationwide: 42%).

## Healthy Relationships

**55%**

develop and maintain healthy relationships by communicating their feelings directly and resolving conflicts constructively (non-Girl Scouts, nationwide: 43%).

## Community Problem Solving

**51%**

desire to contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community, and create "action plans" to solve them (non-Girl Scouts, nationwide: 28%).

Local survey conducted in April 2017, with a voluntary sample consisting of 9.8% of all troop members council-wide. National results are from the online survey conducted by the research firm Decision Analyst in 2016-2017, with a nationally representative sample. An individual girl is considered to possess the characteristics related to an outcome if she has a mean score equal or greater to 4.0 on a 5-point scale for the set of questions related to the outcome.

# Strength of Sisterhood

Whether you are a new Girl Scout Daisy, a seasoned Girl Scout volunteer, or a proud Girl Scout Alumna, you are part of something bigger than yourself. You are part of a vast sisterhood, extending beyond your troop, service unit, and council, to the largest girl-serving organization in the world. You are part of a 100+ year tradition, sharing a bond with more than 2.6 million Girl Scouts across the United States, and 10 million Girl Scouts worldwide in 146 countries. You are part of an American institution.

# Financial Empowerment

Girl Scouting offers all girls—from kindergartners to high school seniors—the opportunity to build their business savvy and hone their financial literacy skills. Through the Fall Product Sale and Girl Scout Cookie Program, girls earn money to support their troop activities, community service projects, and sister Girl Scouts while developing five essential skills: goal setting, decision making, money management, people skills, and business ethics. Tomorrow’s entrepreneurs are getting their start today—through Girl Scouts!

# Investing in Girls

When you make a donation to Girl Scouts, you are making an investment in girls' futures. You are helping us develop and provide quality programs for girls in a variety of areas, including financial literacy, healthy living, STEAM (science, technology, engineering, arts, and math), and environmental leadership. You are helping provide program scholarships for girls whose families are facing financial hardships. You are helping ensure that caring adult volunteers can receive free and low-cost training, giving them the tools they need to help build tomorrow's leaders. Most importantly, you are helping us develop girls of courage, confidence, and character, who make the world a better place. You are making an investment that yields long-lasting returns with amazing results!

### Girl Scout Mission Statement

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

### Girl Scout Promise

On my honor, I will try:  
To serve God\* and my country,  
To help people at all times,  
And to live by the Girl Scout Law.

*\*Members may substitute the word God with the word(s) that accurately reflects their spiritual beliefs.*

### Girl Scout Law

I will do my best to be  
honest and fair,  
friendly and helpful,  
considerate and caring,  
courageous and strong, and  
responsible for what I say and do,  
and to  
respect myself and others,  
respect authority,  
use resources wisely,  
make the world a better place, and  
be a sister to every Girl Scout.
