2021 Annual Report

Reset ♦ Refresh ♦ Rebuild

Message from the CEO and Board President

Reset ♦ Refresh ♦ Rebuild

For more than 100 years, Girl Scouts has focused on creating a community of sisterhood nationwide that paves the pathway to prepare girls for a lifetime of leadership. At Girl Scouts, girls are encouraged to discover who they truly are in a safe, all-girl environment designed specifically to help them grow and cultivate necessary skills to take the lead in their own lives, their community, and the world. Each year, as we face more unforeseen challenges and historic landmarks, we are forced to take a moment to reflect on what we, as Girl Scouts of Gulfcoast Florida, can do to inspire change and action within our community and across the globe. Girl Scouts aims to provide girls with a strong foundation to react to such adversity with great strength and resilience while striving to make the world a better place.

*Richard Cyphers, Board President
Mary Anne Servian, CEO*

Reset describes the tenacity of our Girl Scouts and their ability to be undeterred by any obstacles and challenges they encounter. By using innovative tools and ideas, they prove their unwavering dedication to creating a better, brighter tomorrow.

Refresh captures our dedicated volunteers and caregivers that have been placed in unthinkable situations, but continue to rise to the occasion and inspire girls to become advocates in their community for issues and ideas that are important to them.

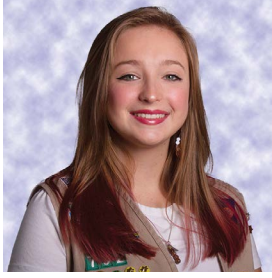

Rebuild demonstrates the resilience of our council staff, board members, alumni and community partners that thoroughly believe in our mission, and fight each year to improve and evolve the Girl Scout Leadership Experience to best meet the needs of girls in our community.

In 2021, we had some remarkable achievements...

- While it was difficult to anticipate what challenges we might face during the 2021 Girl Scout Cookie Program, one thing was certain – our girls, families, and volunteers were ready to rise to the occasion. They reset and demonstrated their ability to be undeterred by any obstacles. They used innovative tools and ideas, demonstrating their commitment to safely experience and deliver this beloved Girl Scout tradition – while having fun!
- It was exciting to get back to meeting in-person and rebuild relationships and recognize the commitment and effort put forth by all. It was humbling to stand next to 17 Gold Award Girl Scouts, who managed despite a global pandemic, to earn Girl Scouts' most prestigious award. It was encouraging to have families gather safely for Family Campfire Circles, while looking forward to a year of new experiences and growth.
- Today's world is complicated and we provide a vital experience that grows and expands alongside Girl Scouts as they flourish and discover the world around them. Girl Scouts' brand is evolving to meet today's girls' needs. In coordination with GSUSA, our council underwent a brand refresh to brighten up and revitalize our logo and materials, while keeping Girl Scout tradition intact and recognition prominent in our community.

Entrepreneurship = Financial Empowerment

Through Girl Scout experiences, girls get a jump start on establishing an entrepreneurial mindset. By participating in Mags & Munchies Fall Product Program and Girl Scout Cookie Program, they develop essential skills, such as money management, business ethics, and goal setting, while simultaneously earning money to support their troop activities and community service projects. Given this experience, girls learn the tools, attitudes and behaviors needed to become tomorrow's successful female entrepreneurs and caring philanthropists.
