

Zoom License Availability for Troops and Service Units

Zoom licenses are now available through our council so that troops/service units can continue (or begin) meeting virtually this fall. Girls, leaders, and service unit volunteers can stay in touch, continue building skills/friendships, and have fun no matter where we are.

Troops can purchase a troop Zoom license from Gulfcoast council at the GSUSA discounted annual rate of \$36. Service units can secure a service unit Zoom license, at no cost to the service unit. To purchase/secure a license, click the Register Now button below. The license is only available to registered Girl Scout volunteers with a valid 2021 membership and approved role.
