- A. The presence of a quorum shall be established by verification of those individuals logged in as a delegate to the event platform.
- B. The continuation of a quorum will be monitored to ensure that a quorum is connected to the meeting at all times.

3. Proposals/Amendments

- A. Proposals not included in the *Workbook* or sent with the call to the National Council Session will not be considered and will be ruled out of order.
- B. Amendments to the proposals must be within the scope of notice (see Glossary, page 81 of the *Workbook*). Amendments not within the scope of notice shall be ruled out of order.
