INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Girl Scouts of Gulfcoast Florida, Inc.
Sarasota, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of Girl Scouts of Gulfcoast Florida, Inc. (the Organization) which comprise the statement of financial position as of September 30, 2014, and the related statement of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The Board of Directors
Girl Scouts of Gulfcoast Florida, Inc.
Sarasota, Florida

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Girl Scouts of Gulfcoast Florida, Inc., as of September 30, 2014 and the respective changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

The financial statements of the Organization, as of and for the year ended September 30, 2013, were audited by other auditors whose report dated January 16, 2014 expressed an unmodified opinion on those statements.

GIRL SCOUTS OF GULFCOAST FLORIDA, INC.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2014

Note 1 - Summary of Significant Accounting Policies

Organization

Girl Scouts of Gulfcoast Florida, Inc. (the Council) is a non-profit, organization incorporated and operating in Florida since May, 1962. The Council serves Manatee, Hardee, Highlands, Sarasota, DeSoto, Charlotte, Glades, Lee, Hendry and Collier counties.

Girl Scouts of Gulfcoast Florida, Inc. is chartered by the Girl Scouts of the United States of America (GSUSA) whose mission is to build girls of courage, confidence, and character who make the world a better place.

Various troops and service units, which operate within the geographical area served, maintain individual bank accounts, which are not included in the accompanying financial statements.

Fund Accounting

Net assets, public support, revenue and gains are classified based on the existence or absence of donor-imposed restrictions. When the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Council records the support as unrestricted. Accordingly, net assets and changes therein are classified as follows:

Unrestricted Net Assets include all undesignated, board designated resources available for support of Council operations, and expendable resources in the Land, Building and Equipment Fund designated for the Council's land, buildings and equipment.

Temporarily Restricted Net Assets are utilized to account for contributions that are donor restricted for uses which have not yet been fulfilled either by time or purpose.

Permanently Restricted Net Assets represent donor-restricted endowments whereby the use of principal is prohibited. The income generated by these endowments may be unrestricted or designated for Girl Scout programs.

Financial Statements

The financial statements and notes are representations of the Council's management who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1 - Summary of Significant Accounting Policies (Continued)

Basis of Presentation

Financial statement presentation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The temporarily restricted fund has restrictions as to time and/or purpose for the use of funds. The permanently restricted fund is permanently restricted as to its principle only. Donors of these assets generally permit the Council to use all or part of the income earned on the related investments for general or specific purposes.

Merchandise for Sale

Inventory is stated at the lower of cost (first-in, first-out) or market (net realizable value).

Income Taxes

The Council is exempt from Federal and State income taxation under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made. However, the Council is subject to income tax on unrelated business income. For the year ended September 30, 2014, the Council incurred no income tax expense.

Under the Income Taxes Topic of the FASB Accounting Standards Codification, the Council has reviewed and evaluated the relevant technical merits of its tax position in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Council.

The Council files income tax returns in the U.S. federal jurisdiction. The tax periods open to examination by the major taxing jurisdictions to which the Council is subject include fiscal years ended September 30, 2011 through September 30, 2014.

Advertising and Promotion

Advertising and promotion costs are expenses as incurred. For the year ended September 30, 2014, advertising expense totaled \$20,285.

Pledges Receivable

The Council records signed pledges as receivables based upon management evaluation of donors and pledge history. No allowance for uncollectible pledges has been established, as all receivables are determined to be collectible by management.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

SEPTEMBER 30, 2014

Note 1 - Summary of Significant Accounting Policies (Continued)

Land, Buildings and Equipment

The Council follows the practice of capitalizing all expenditures for land, buildings and equipment in excess of \$1,000. Land, buildings and equipment are recorded at cost, except for donated assets, which are stated at their fair market value at date of donation. Depreciation of buildings and equipment is provided using the straight-line method over estimated useful lives, which range from three to thirty five years. The cost of maintenance and repairs is expensed as incurred; major improvements and replacements are capitalized.

Donated Services

A substantial number of unpaid volunteers have made significant contributions of their time to support the programs of the Council. The estimated value of these donated services has not been recorded in the accompanying financial statements.

Functional Allocation of Expenses

The costs of providing the various programs and other activities of the Council have been summarized on a functional basis in the Statement of Activities. Accordingly, certain occupancy type costs have been allocated among the programs and supporting services benefited based on space used. Other costs are allocated directly.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Comparative Financial Statements

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Council's financial statements for the year ended September 30, 2013 from which the summarized information was derived.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and demand deposits held at financial institutions.

Note 1 - Summary of Significant Accounting Policies (Continued)

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the statement of activities. Increases and decreases in fair value are recognized in the period in which they occur and the carrying values of the investments are adjusted to reflect these fluctuations.

Note 2 - Concentration of Credit and Economic Risk

Financial instruments, which potentially subject the Council to concentrations of credit risk, consist principally of cash and cash equivalents, and investments. The Council places its cash and cash equivalents with high credit quality financial institutions. During the year, the Council may have deposits with financial institutions which exceed the FDIC insured limit.

The Council invests in a variety of investment vehicles, as described in Note 3. These investment securities are exposed to interest rate, market, credit and other risks depending on the nature of the specific investment. Accordingly, it is reasonably possible that these factors will result in changes to the value of the Council's investments, which could materially affect amounts reported in the financial statements.

Note 3 - Long -Term Investments

The components of investments at September 30, 2014 are summarized as follows:

	Cost	Fair Value	Accumulated Unrealized Gain (Loss)
Fixed income	\$ 1,183,727	\$ 1,208,525	\$ 24,798
Corporate equities	453,098	544,869	91,771

Note 5 - Pension Plan

The Council participates in the National Girl Scout Council Retirement Plan (the "Plan"), a noncontributory defined benefit pension plan sponsored by Girl Scouts of the USA (EIN 13-1624016; PN 002). The National Board of Girl Scouts of the USA voted to freeze the Plan effective July 31, 2010. The Plan covers substantially all of the employees of various Girl Scout councils who were eligible to participate in the Plan prior to the Plan freeze. Accrued and vested benefits prior to July 31, 2010 are based on years of service and salary levels.

Although net Plan assets grew during the year, net Plan assets available for Plan benefits continue to be less than the actuarial present value of accumulated Plan benefits as of January 1, 2014. Based on the April 18, 2014 conditional approval by the Internal Revenue Service (IRS), all existing amortization bases in the Plan's funding standard account as of January 1, 2013 were combined into one base and the resulting amortization period for that single base was extended to 10 years. Approval applies as long as at a minimum, beginning with the January 1, 2013 calendar year, \$30,000,000 is remitted. The \$30,000,000 calendar year minimum applies for each succeeding calendar year until the Plan is fully funded based upon the requirements of the Pension Protection Act of 2006 (PPA). Aggregate contributions made in fiscal year 2014 and 2013 are \$34,500,000 and \$30,000,000 respectively. Aggregate contributions made in fiscal 2015 are expected to be \$34,500,000.

The Council made contributions into the Plan of \$151,711 during fiscal year ended September 30, 2014. These contributions represented 0.43% of total contributions into the Plan.

Note 6 - Retirement Plan

The Organization offers a tax-deferred savings plan, which qualifies as a voluntary contribution savings plan under Internal Revenue Code Section 401(k). Employees may provide tax-deferred contributions to eligible individual retirement accounts up to the Internal Revenue Code limit. The plan covers all employees meeting eligibility criteria. All eligible employees are eligible to receive an employer contribution equal to 3% of base salary. Retirement plan costs for employees for the year ended September 30, 2014 totaled \$22,757.

Note 7 - Board Designated Net Assets

The Board has designated the unexpended Board Designated Net Assets to be used for the following purposes as of September 30 2014:

Scholarships	\$ 61,501
Operating reserve	2,833,906
Reserve for maintenance	7,500
Directors and officers insurance deductible	6,900
Liability insurance deductible	10,000

Charlotte County program	39,774
Venice Girl Scout House	303,322
Others	15,027
Total temporarily restricted net assets	<u>\$ 627,138</u>

The county program assets will be used exclusively for the benefit of persons in those counties.

In 1997 the Council was beneficiary of an estate of a donor. These assets are to be held in trust for a period of 35 years or until 2032 at which time restrictions will be released. The executive director of the Council will act as trustee. As a result, temporarily restricted net assets include the following assets related to the trust:

Land and building	\$ 187,571
Long-term investments	115,751
Total	<u>\$ 303,322</u>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors.

The following donor restrictions were met during the period ended September 30, 2014:

Land and building depreciation	\$ 14,053
Camper grants and other	42,490
Total releases	<u>\$ 56,543</u>

The permanently restricted net assets include endowment funds of \$74,538 as of September 30, 2014.

Note 10 - Capital Lease Obligations

The Council leases copiers with month payments of \$567 expiring 2019. The following represents minimum lease payments under capital lease obligations, which existed at September 30, 2014:

2015	\$ 6,804
2016	6,804
2017	6,804
2018	6,804
2019	1,696
Total minimum lease payments	<u>28,912</u>
Less interest	(2,264)
Total capital lease obligations	<u>26,648</u>
Current capital lease obligations	5,888
Long term lease obligations	20,760
Total lease obligations	<u>\$ 26,648</u>

The Council is also bound by certain lease arrangements with county governments for the use of land, which require only token annual lease payments. These leases are treated as operating leases for financial statement purposes. The fair market value of the leasehold agreement is not determinable and therefore has not been recorded in these financial statements.

Membership fees	\$ 41,475
Merchandise for sale purchased	182,336
Total related party transactions	<u>\$ 223,811</u>

Note 12 - Manatee County Right of First Refusal Land Contract

In the event that the Council, or its successors, determines to offer for sale the property of Camp Honi Hanta, they must notify in writing Manatee County of the price and all material terms of the sale including any limitations on the future use of the property. The County will have thirty days from receipt of notice to notify the Council if they desire to purchase the property on the same terms and conditions set forth in the written proposal for sale. If the County fails to notify the Council or elects not to purchase the property then the Council may offer the property for sale to any interested party on the same terms as offered to the County. This right of first refusal is valid for a period of fifty years from 2007.

Note 13 - Fair Value of Financial Assets and Liabilities

The Council adopted the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification. The Fair Value Measurements and Disclosures Topic provides enhanced guidance for using fair value to measure assets and liabilities and clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the assets or liabilities and establishes a hierarchy that prioritizes the information used to develop those assumptions.

Note 13 - Fair Value of Financial Assets and Liabilities (Continued)

The following tables present information about the Council's assets that are measured at fair value on a recurring basis as of September 30, 2014, and indicate that fair value hierarchy of the valuation techniques used to determine such fair value. The three levels for measuring fair value are based on the reliability of inputs and are as follows:

Level 1 - unadjusted quoted prices in active markets for identical assets, such as publically traded equity securities.

Level 2 - inputs other than quoted prices included In Level 1 that are observable, either directly or indirectly. Such inputs may include quoted prices for similar assets, observable inputs other than quoted prices (interest rates, yield curves, etc.) or inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs are unobservable data points for the asset or liability, and include situations where there is little, if any, market activity for the asset or liability (for example, hedge funds, private equity and other). The inputs reflect the Council's assumptions based on the best information available in the circumstance.

Description	September 30, 2014	Assets at Fair Value on a Recurring Basis at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

- (a) The investment objective of the fund is to moderate the volatility of equity-oriented and fixed-income-oriented asset allocations over the long term. The fund may invest in a diversified portfolio of securities and other financial instruments, including derivative instruments that provide investment exposure to a variety of asset classes, which may include: equity securities and fixed-income instruments within the U.S. and international, real estate securities, high yield securities, currencies, and commodities.

Note 14 - Endowments

The Council's endowment consisted of funds established for a variety of purposes. Its endowment includes donor-restricted endowment funds. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors of the endowment has interpreted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Council classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, and (b) the original value of subsequent gifts to the permanent endowment.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 14 - Endowments (Continued)

Interpretation of Relevant Law (Continued)

In accordance with FUPMIFA, the Council considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund;
2. The purposes of the Council and the donor-restricted endowment fund;
3. General economic conditions;
4. The possible effect of inflation and deflation;
5. The expected total return from income and the appreciation of investments;
6. Other resources of the Council; and
7. The investment policies of the Council.

Funds with Deficiencies

At times, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor intended. There were no such deficiencies as of September 30, 2014. As of September 30, 2014, endowment net assets consisted of the following:

	<u>Permanently Restricted</u>
Donor-restricted endowment funds	\$ <u>74,538</u>

Return Objectives and Risk Parameters

The Council has adopted investment policies and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Council must hold in perpetuity or for donor-specified periods as well as board designated funds. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce a long-term rate of return on assets that exceeds inflation by at least 1% while assuming a moderate level of investment risk. The Council expects its endowment funds, over time to provide an average rate of return of approximately 5% percent annually. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Council relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Council targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Note 14 - Endowments (Continued)

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Council has a policy of appropriating for distribution up to 5% annually. In establishing this policy, the Council considered the long-term expected return on its endowment. Accordingly, over the long term, the Council expects the current spending policy to allow its endowment to remain at the current corpus amount. This is consistent with the Council's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

Changes in endowment net assets for the year ended September 30, 2014 are as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Endowment net assets, October 1 2013	\$	\$	\$ 72,038	\$ 72,038
