Girl Scout Cookie Program

Built around entrepreneurship, Girl Scout Product Programs are an integral part of the Girl Scout Leadership Experience. Girls who participate in product programs develop **five essential life skills**: **goal setting**, **decision making**, **money management**, **people skills**, and **business ethics**.

Through the Girl Scout Cookie Program, girls can sell cookies online, in person, and at cookie booths. In 2020, Girl Scouts of Gulfcoast Florida sold over 1 million boxes of cookies, bringing in over \$750,000 in proceeds going directly to girls in our council. Whether it's a trip she'll never forget, a service project that will change her community forever, or the opportunity to build a lifetime of memories at camp, Girl Scout Cookies help make it all happen!

We support our community!

Customers can make a donation to our Hometown Heroes program.

100% of the proceeds from your purchase and donation to Hometown Heroes stay in the local community to support Girl Scouting. Last year we distributed over 50 thousand packages of cookies to essential workers, food banks, veterans, and active military!

How can you help support this amazing experience?
