Join Girl Scouts of Gulfcoast Florida's "On Time Challenge," an opportunity to earn more funds in next year's cookie program. By participating, your troop will earn increased proceeds during the 2021 cookie program as follows:

- ◆ Renew/register* girls by September 30, 2020 and receive an additional \$0.05 per package.
- ◆ Renew/register* girls by December 1, 2020 and receive an additional \$0.03 per package.

*Guidelines to qualify:

- ◆ Troops must ensure that 90% of the total number of girls that participated in the 2020 cookie program participate in the 2021 cookie program. (For example: if the troop had 15 girls that participated in the 2020 cookie program, the troop must have at least 13 girls participate in the 2021 cookie program). Council will provide troop leadership teams with the number of girls needed to qualify.
