# Cookie T-Shirt Challenge Entries

Please review the following points with the understanding that they focus on the overall concept rather than the final artwork:

- Consider the overall concept and not the artwork as this is open for Girl Scouts in grades K-12 with varying access to technology.
- Suggested shirt color is displayed below the design.
- All logos and branding will be updated to align with current brand standards.
- Trademark symbols will be added during the final design process.

Deadline to cast your votes is February 15, 2026. One entry per Girl Scout.
