January 2026

Program Highlights

December was a month full of hands-on learning and winter fun for our Girl Scouts across the council! Girls sharpened their skills in cooking programs, saddled up for unforgettable horseback riding adventures, glided across the ice at skating events, and built real-world confidence through Babysitter's Training with CPR certification.

We're also thrilled to look ahead to an exciting journey in the new year—Roots of Sisterhood, our upcoming trip to Savannah, where we'll be joined by Mary Anne Servian, CEO and Chief Girl Champion. This memorable experience will take Girl Scouts to the birthplace of Girl Scouting, where they'll explore our movement's history, strengthen sisterhood, and deepen their connection to the legacy of Juliette Gordon Low.

As we enter into Cookie season, there are still plenty of opportunities to add fun, learning, and adventure to your Girl Scout experience. Be sure to check the GSGCF website regularly for upcoming programs and events with available space. We can't wait to keep making memories together!
