Independent Auditor's Report

The Board of Directors Girl Scouts of Gulfcoast Florida, Inc. Sarasota, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Girl Scouts of Gulfcoast Florida, Inc. (the Council), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Girl Scouts of Gulfcoast Florida, Inc. as of September 30, 2020, and the results of its operations and it cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Girl Scouts of Gulfcoast Florida, Inc.'s 2019 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 17, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Notes to Financial Statements September 30, 2020

I. Organization

Girl Scouts of Gulfcoast Florida, Inc. (the Council) is a non-profit organization incorporated and operating in Florida since May, 1962. The Council serves Manatee, Hardee, Highlands, Sarasota, DeSoto, Charlotte, Glades, Lee, Hendry and Collier counties.

Girl Scouts of Gulfcoast Florida, Inc. is chartered by the Girl Scouts of the United States of America (GSUSA) whose mission is to build girls of courage, confidence, and character who make the world a better place.

Various troops and service units, which operate within the geographical area served, maintain individual bank accounts, which are not included in the accompanying financial statements.

2. Summary of Significant Accounting Policies Financial Statements

The financial statements and notes are representations of the Council's management who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America. Net assets, public support, revenue and gains are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions - net assets that are not subject to donor-imposed stipulation. These net assets include all undesignated, board designated resources available for support of Council operations, and expendable resources in the Land, Building and Equipment Fund designated for the Council's land, buildings and equipment.

Net assets with donor restrictions - net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Council and/or the passage of time. When the purpose of the restriction is accomplished, these net assets are reclassified to net assets without donor restriction and reported in the Statement of Activities as net assets released from donor restrictions. However, if a restriction is fulfilled in the same time-period in which the contribution is received, the Council records the support as without donor restriction.

Other net assets are perpetual in nature. These net assets are subject to donor-imposed stipulations whereby the use of principal is prohibited and must be maintained permanently by the Council. The income generated by these net assets may be without donor restriction or designated for Girl Scout programs.

Notes to Financial Statements (Continued) September 30, 2020

2. Summary of Significant Accounting Policies (Continued) Merchandise for Sale

Inventory is stated at the lower of cost (first-in, first-out) or market (net realizable value).

Income Taxes

The Council is exempt from Federal and State income taxation under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made. However, the Council is subject to income tax on unrelated business income. For the year ended September 30, 2020, the Council incurred no income tax expense.

Under the Income Taxes Topic of the FASB Accounting Standards Codification, the Council has reviewed and evaluated the relevant technical merits of its tax position in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Council.

The Council files income tax returns in the U.S. federal jurisdiction. The tax periods open to examination by the major taxing jurisdictions to which the Council is subject include fiscal years ended September 30, 2017 through September 30, 2020.

Donated Services

A substantial number of unpaid volunteers have made significant contributions of their time to support the programs of the Council. The estimated value of these donated services has not been recorded in the accompanying financial statements because it does not meet the criteria for recognition as donated revenue under generally accepted accounting principles.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and demand deposits held at financial institutions.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the Statement of Financial Position. Increases and decreases in fair value are recognized in the period in which they occur and the carrying values of the investments are adjusted to reflect these fluctuations. Net investment return (loss) is reported in the Statement of Activities and consists of interest and dividend income, realized and unrealized gains and losses, less external and direct internal investment expenses.

Land, Buildings and Equipment

The Council follows the practice of capitalizing all expenditures for land, buildings and equipment in excess of \$5,000. Land, buildings and equipment are recorded at cost, except for donated assets, which are stated at their fair market value at date of donation. Depreciation of buildings and equipment is provided using the straight-line method over estimated useful lives, which range from three to thirty five years. The cost of maintenance and repairs is expended as incurred; major improvements and replacements are capitalized.

Advertising and Promotion

Advertising and promotion costs are expensed as incurred. For the year ended September 30, 2020, advertising expense totaled \$29,274. These costs are shown as media promotions in the Statement of Functional Expenses.

Notes to Financial Statements (Continued) September 30, 2020

2. Summary of Significant Accounting Policies (Continued) Functional Allocation of Expenses

The costs of providing the various programs and other activities of the Council have been summarized on a functional basis in the Statement of Activities. Accordingly, costs have been allocated among the programs and supporting services benefited as follows: wages and related expenses are allocated based on job duties with staff not directly allocated to a single cost center by performing an annual time study; administrative costs are allocated based on the cost centers of full-time staff; information technology is allocated based on the number of computers per cost center; occupancy is allocated based on the square footage utilization of space by cost center; other costs are allocated directly.

Comparative Financial Statements

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Council's financial statements for the year ended September 30, 2019 from which the summarized information was derived.

Accounting Pronouncements Adopted

In June 2018, the FASB issued ASU 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made, which was adopted by the Council for the year ended September 30, 2020. The ASU clarifies how entities determine whether to account for a transfer of assets as an exchange transaction or a contribution. The guidance also clarifies how entities determine whether a contribution is conditional. The timing of revenue and expense recognition depends upon whether a contribution is conditional or unconditional.

3. Liquidity and Availability

Financial assets available within one year of the Statement of Financial Position date for general expenditures are as follows:

Cash and cash equivalents Investments Accounts receivable	\$ 1,797,470 4,889,569 11,936
Total financial assets available within one year	6,698,975
Less: Amounts unavailable for general expenditures within one year due to: Restricted by donors with purpose and time restrictions Restricted by donors in perpetuity Total amounts unavailable for general expenditures within one year	(1,184,720) (83,538) (1,268,258)
Less: Amounts unavailable to management without Board approval: Board designated for reserves and other purposes*	(5,562,970)
Total financial assets available to management for general expenditure within one year*	\$ (132,253)

^{*}The board-designated funds of \$5,562,970 are designated for purposes described in Note 11. Although the Council does not intend to spend from board-designated funds, these amounts could be made available if necessary.

Notes to Financial Statements (Continued) September 30, 2020

3. Liquidity and Availability (Continued)

The Council manages its liquid assets in accordance with regular budgeting processes developed through the coordinated efforts of management and the Board of Directors. Monthly reporting by management to those charged with governance ensures the results from operating activities are monitored closely.

Endowment funds consist of donor-restricted endowments. Income from donor-restricted endowments is restricted for specific purposes. Donor-restricted endowment funds are not available for general expenditure.

4. Concentration of Credit and Economic Risk

Financial instruments, which potentially subject the Council to concentrations of credit risk, consist principally of cash and cash equivalents, and investments. The Council places its cash and cash equivalents with high credit quality financial institutions. During the year, the Council may have deposits with financial institutions which exceed the FDIC insured limit.

The Council invests in a variety of investment vehicles, as described in Note 7. These investment securities are exposed to interest rate, market, credit and other risks depending on the nature of the specific investment. Accordingly, it is reasonably possible that these factors will result in changes to the value of the Council's investments, which could materially affect amounts reported in the financial statements.

5. Prepaid Expenses and Deferred Charges

Prepaid expenses and deferred charges are comprised of the following at September 30, 2020:

Prepaid insurance	\$ 62,490
Prepaid postage	5,562
Other prepaid expenses	78,980
Total prepaid expenses and deferred charges	\$ 147,032

6. Land, Buildings and Equipment

Land, buildings and equipment consist of the following as of September 30, 2020:

Land	\$	2,776,562
Land improvements		1,033,737
Buildings and improvements		9,192,016
Equipment and vehicles		852,164
Total	•	13,854,479
Accumulated depreciation		(6,782,466)
Net land, buildings, and equipment	\$	7,072,013

Depreciation expense for the year ended September 30, 2020 totaled \$370,487.

Notes to Financial Statements (Continued) September 30, 2020

7. Long -Term Investments

The components of investments at September 30, 2020 are summarized as follows:

	_		Fair		Unrealized Unrealized
	 Cost	_	Value	_	Gain (Loss)
Fixed income	\$ 1,713,296	\$	1,759,282	\$	45,986
Corporate equities	2,386,830		2,704,526		317,696
Mutual funds	411,288		425,761		14,473
Total	\$ 4,511,414	\$	4,889,569	\$	378,155

Investment activity for the year ended September 30, 2020 is comprised of the following:

Interest and dividends	\$ 120,843
Realized gain on investments	101,541
Unrealized loss on investments	29,899
Investment fees	(22,930)
Total investment return, net of investment expenses	\$ 229,353

8. Payroll Protection Program Forgivable Loan

On May 11, 2020, the Council qualified for and received a loan pursuant to the Paycheck Protection Program, a program implemented by the U.S. Small Business Administration under the Coronavirus Aid, Relief, and Economic Security Act for an aggregate principal amount of \$347,500 (the PPP Loan). The PPP Loan bears interest at a fixed rate of 1.0% per annum, with the first six months of interest deferred, has a term of two years, and is unsecured and guaranteed by the U.S. Small Business Administration. The principal amount of the PPP Loan is subject to forgiveness under the Paycheck Protection Program upon the Council's request to the extent that the PPP Loan proceeds are used to pay expenses permitted by the Paycheck Protection Program, including payroll costs, covered rent and mortgage obligations, and covered utility payments incurred by the Council. In October 2020, the Council applied for forgiveness of the PPP Loan with respect to these covered expenses and is awaiting a response.

To the extent that all or part of the PPP Loan is not forgiven, the Council will be required to pay interest on the PPP Loan at a rate of 1.0% per annum, and commencing in December 2020 principal and interest payments will be required through the maturity date in May 2022. The terms of the PPP Loan provide for customary events of default including, among other things, payment defaults, breach of representations and warranties, and insolvency events. The PPP Loan may be accelerated upon the occurrence of an event of default.

The Council has recorded the PPP Loan under the government grant model in accordance with ASC 958-605, *Not-for-Profit Entities Revenue Recognition*. Under this model, the timing of recognition for a contribution received depends on whether the contribution is conditional or not. If conditional, the contribution is not recognized until the conditions are substantially met or explicitly waived. Specifically, a nongovernmental entity would initially record the cash inflow from the PPP loan as a refundable advance. The nongovernmental entity would then reduce the refundable advance and recognize the contribution once the conditions of release have been substantially met or explicitly waived. Recognition may be done in stages as conditions are met. Conditions of the PPP Loan include spending on qualified expenses, maintaining an employee headcount, and limitations on compensation reduction.

Notes to Financial Statements (Continued) September 30, 2020

8. Payroll Protection Program Forgivable Loan (Continued)

As of September 30, 2020, the Council has determined that conditions have been met for the PPP Loan, in its entirety. Accordingly, for the year ended September 30, 2020, the Council has recognized revenue of \$347,500 in the Statement of Activities.

9. Pension Plan

The Council participates in the National Girl Scout Council Retirement Plan ("NGSCRP") (the "Plan"), a noncontributory defined benefit pension plan sponsored by Girl Scouts of the USA. The National Board of Girl Scouts of the USA voted to freeze the Plan to new entrants and to freeze future benefit accruals for all current participants under the Plan effective July 31, 2010. The Plan covers substantially all of the employees of various Girl Scout councils who were eligible to participate in the Plan prior to the Plan freeze. Accrued and vested benefits prior to July 31, 2010 are based on years of service and salary levels.

Although net Plan assets grew during the year, net Plan assets available for Plan benefits continue to be less than the actuarial present value of accumulated Plan benefits as of January I, 2020. Based on the April 18, 2014 conditional approval by the Internal Revenue Service (IRS), all existing amortization bases in the Plan's funding standard account as of January I, 2013 were combined into one base and the resulting amortization period for that single base was extended to 10 years. Approval applies as long as at a minimum, beginning with the January I, 2013 calendar year, \$30,000,000 is remitted. The \$30,000,000 calendar year minimum applies for each succeeding calendar year until the Plan is fully funded based upon the requirements of the Pension Protection Act of 2006 (PPA). In addition, on April 8, 2014, President Obama signed H.R. 4275 into law, a relief package unanimously passed by Congress that gives NGSCRP the flexibility to adopt the PPA funding requirements immediately or not at all. NGSCRP has elected to adopt this relief and not be subject to PPA. In September 2020, the National Board of Girl Scouts of the USA approved to lower the contributions from \$30,000,000 for calendar years 2021 and 2022 to \$26,000,000 starting in calendar year 2023 until the plan is fully funded based on the requirements of the PPA. Aggregate annual contributions made in fiscal year 2020 were \$32,200,000. Aggregate contributions to be made in fiscal year 2021 are expected to be \$32,200,000.

The Council made contributions into the NGSCRP of \$148,947 during fiscal year ended September 30, 2020. These contributions represented 0.46% of total contributions into the NGSCRP.

10. Retirement Plan

The Council offers a tax-deferred savings plan, which qualifies as a voluntary contribution savings plan under Internal Revenue Code Section 401(k). Employees may provide tax-deferred contributions to eligible individual retirement accounts up to the Internal Revenue Code limit. The plan covers all employees meeting eligibility criteria. All eligible employees are eligible to receive an employer contribution equal to 3% of base salary. Retirement plan costs for employees for the year ended September 30, 2020 totaled \$46,188.

Notes to Financial Statements (Continued) September 30, 2020

11. Board Designated Net Assets

The Board has designated the unexpended Board Designated Net Assets to be used for the following purposes as of September 30, 2020:

Scholarships	\$	64,500
Operating reserve		5,388,842
Reserve for maintenance		7,500
Directors and officer's insurance deductible		6,900
Liability insurance deductible		10,000
Funds held at community foundations	_	85,228
	\$	5,562,970

12. Net Assets with Donor Restrictions

Net assets with donor restrictions consisted of the following as of September 30, 2020:

Subject to expenditure for specified purpose:

Collier County program	\$	117,826
Charlotte County program	·	43,405
Venice Girl Scout House		758,916
Grants		264,573
Total purpose restrictions	- -	1,184,720
Perpetual in nature:		_
Endowment funds		83,538
Total perpetual in nature	_	83,538
Total net assets with donor restrictions	\$	1,268,258

The county program assets will be used exclusively for the benefit of persons in those counties.

In 1997 the Council was beneficiary of an estate of a donor. These assets are to be held in trust for a period of 35 years or until 2032 at which time restrictions will be released. The executive director of the Council will act as trustee. As a result, net assets with donor restrictions include the following assets related to the trust which are also restricted to the passage of time:

Cash and cash equivalents	\$ 504,285
Land, buildings and equipment, net	76,724
Long-term investments	177,907
Total	\$ 758,916

13. Net Assets Released from Restrictions

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors.

The following donor restrictions were met during the year ended September 30, 2020:

Land improvements and building depreciation	\$	1,824
Camper grants and other	_	120,333
Total releases	\$	122,157

Notes to Financial Statements (Continued) September 30, 2020

14. Capital Lease Obligations

The Council leases copiers with monthly payments of \$732 expiring in fiscal year 2024. The following represents minimum lease payments under capital lease obligations, which existed at September 30, 2020:

2021	\$	8,790
2022		8,790
2023		8,790
2024	_	2,198
Total minimum lease payments	-	28,568
Less interest		(3,716)
Total capital lease obligations		24,852
Current capital lease obligations		6,925
Long term lease obligations		17,927
Total lease obligations	\$	24,852

The Council is also bound by certain lease arrangements with county governments for the use of land, which require only token annual lease payments. These leases are treated as operating leases for financial statement purposes. The fair market value of the leasehold agreement is not determinable and therefore has not been recorded in these financial statements.

15. Related Party Transactions

From time to time, members of the Board of Directors make contributions to the Council.

GSUSA provides membership and programming information to the Council in addition to training services. Membership fees of \$25 per member are collected and forwarded to GSUSA. The Council forwarded and paid the following fees to GSUSA during the year ended September 30, 2020:

Membership fees	\$	37,560
Merchandise for sale purchased		82,013
Administrative service fees – web hosting, migration and accounting software	_	38,209
Total related party transactions	\$	157,782

16. Manatee County Right of First Refusal Land Contract

In the event that the Council, or its successors, determines to offer for sale the property of Camp Honi Hanta, they must notify in writing Manatee County of the price and all material terms of the sale including any limitations on the future use of the property. The County will have thirty days from receipt of notice to notify the Council if they desire to purchase the property on the same terms and conditions set forth in the written proposal for sale. If the County fails to notify the Council or elects not to purchase the property, then the Council may offer the property for sale to any interested party on the same terms as offered to the County. This right of first refusal is valid for a period of fifty years from 2007.

Notes to Financial Statements (Continued) September 30, 2020

17. Girl Scouts of Florida Association

The Girl Scouts of Florida Association is a coalition of the six Florida councils who have united with a collective voice to leverage resources and investments around a set of actions to elevate the relevance of Girl Scouts for girls and families. The mission of the Girl Scouts of Florida Association is to strengthen and grow the Girl Scout movement in Florida. During the year ended September 30, 2020, the Council became the fiscal custodian of this group. Dues were collected from each council based on a rate of \$1.00 per girl member for a total of 63,441 girls, or \$63,441. The total balance held in custody at September 30, 2020 was \$118,053 and is included in custodian funds in the Statement of Financial Position.

18. Fair Value of Financial Assets and Liabilities

The Council adopted the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification. The Fair Value Measurements and Disclosures Topic provides enhanced guidance for using fair value to measure assets and liabilities and clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the assets or liabilities and establishes a hierarchy that prioritizes the information used to develop those assumptions.

The following tables present information about the Council's assets that are measured at fair value on a recurring basis as of September 30, 2020 and indicate that fair value hierarchy of the valuation techniques used to determine such fair value. The three levels for measuring fair value are based on the reliability of inputs and are as follows:

Level I - unadjusted quoted prices in active markets for identical assets, such as publicly traded equity securities.

Level 2 - inputs other than quoted prices included In Level I that are observable, either directly or indirectly. Such inputs may include quoted prices for similar assets, observable inputs other than quoted prices (interest rates, yield curves, etc.) or inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - inputs are unobservable data points for the asset or liability, and include situations where there is little, if any, market activity for the asset or liability (for example, hedge funds, private equity and other). The inputs reflect the Council's assumptions based on the best information available in the circumstance.

The following sets the fair value hierarchy by level for the Council's assets measured at fair value as of September 30, 2020:

Description		Total	Level I		Level 2		Level 3
Assets:				-			_
Fixed income	\$	1,759,282	\$ 1,759,282	\$	-	\$	-
Corporate equities		2,704,526	2,704,526		-		-
Mutual funds		425,761	425,761		-		-
Funds held at community foundations	-	85,228	 43,282		-		41,946
Total assets at fair value	\$_	4,974,797	\$ 4,932,851	\$	-	_\$_	41,946

Funds held at community foundations represent a pro rata share of a managed pool of investments.

Notes to Financial Statements (Continued) September 30, 2020

18. Fair Value of Financial Assets and Liabilities (Continued)

The following is a reconciliation of the beginning and ending balances for assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during the period ended September 30, 2020:

	_	Dynamic Asset Allocation Overlay (a)		at ommunity oundations
Balance - September 30, 2019	\$	1,196,659	\$	41,325
Purchases		36,598		-
Sales		(1,124,642)		-
Changes in value		(108,615)		621
Balance - September 30, 2020	\$_	-	\$	41,946

(a) The investment objective of the fund is to moderate the volatility of equity-oriented and fixed-income-oriented asset allocations over the long term. The fund may invest in a diversified portfolio of securities and other financial instruments, including derivative instruments that provide investment exposure to a variety of asset classes, which may include: equity securities and fixed-income instruments within the U.S. and international, real estate securities, high yield securities, currencies, and commodities. The Council sold its holdings in this fund during the year ended September 30, 2020.

19. Endowments

The Council's endowment consisted of funds established for a variety of purposes. Its endowment includes donor-restricted endowment funds. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors of the endowment has interpreted the Florida Uniform Prudent Management of Institutional Funds Act (FUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Council classifies as net assets with donor restrictions-perpetual in nature (a) the original value of gifts donated to the perpetual endowment, and (b) the original value of subsequent gifts to the perpetual endowment.

In accordance with FUPMIFA, the Council considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. The duration and preservation of the fund;
- 2. The purposes of the Council and the donor-restricted endowment fund;
- 3. General economic conditions;
- 4. The possible effect of inflation and deflation;
- 5. The expected total return from income and the appreciation of investments;
- 6. Other resources of the Council; and
- 7. The investment policies of the Council.

Notes to Financial Statements (Continued) September 30, 2020

19. Endowments (Continued) Funds with Deficiencies

At times, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor intended. There were no such deficiencies as of September 30, 2020.

Endowment Net Asset Composition

As of September 30, 2020, endowment net assets consisted of the following:

	Without Donor Restrictions	With Donor Restrictions
Accumulated investment gains appropriated for expenditure	\$ 58,191	\$ -
Donor-restricted endowment funds:		
Original donor-restricted gift amount and amounts required		
to be maintained in perpetuity by donor	-	83,538
Accumulated investment gains with purpose restrictions	-	10,633
Total funds	\$ 58,191	\$ 94,171

Return Objectives and Risk Parameters

The Council has adopted investment policies and spending polices for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment, while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Council must hold in perpetuity or for donor-specified periods, as well as board designated funds.

Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce a long-term rate of return on assets that exceeds the Consumer Price Index by at least 4% and exceeds the 3-Month Treasury Bill Index by a minimum of 4% annually, while assuming a moderate level of investment risk. Actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Council relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Council targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Council has a policy of appropriating for distribution up to 5% annually. In establishing this policy, the Council considered the long-term expected return on its endowment. Accordingly, over the long term, the Council expects the current spending policy to allow its endowment to remain at the current corpus amount. This is consistent with the Council's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term, as well as to provide additional real growth through new gifts and investment return.

Notes to Financial Statements (Continued) September 30, 2020

Endowments (Continued) Change in Endowment Net Assets

Changes in endowment net assets for the year ended September 30, 2020 are as follows:

As of September 30, 2020, \$3,000, in endowment contributions has not transferred to the Council's endowment investment account.

20. Risks and Uncertainties

The World Health Organization declared the COVID-19 virus as a global pandemic on March 11, 2020. In response to the declaration of the global pandemic, business restrictions, including quarantines, and stay at home orders, were implemented by Federal, State, and local governments. These effects are as yet unknown, but may have future implications on the Council. The duration and economic impact of this pandemic is uncertain for many. The Council has modified many of its practices in order to adapt to the effects of the pandemic and maximize the safety and health of its employees and volunteers. In addition, the Council is closely monitoring the ever changing landscape and plans to continue to adjust its strategies and operations as needed in order to carry out its mission in the most effective and efficient ways.

21. Subsequent Events

We have evaluated all events subsequent to the statement of financial position date of September 30, 2020, through the date these financial statements were available for issuance, January 22, 2021, and have determined that, except as set forth below, there are no subsequent events that require disclosure under the FASB Accounting Standards Codification.

On October 30, 2020, the Council closed the retail shop selling Girl Scout merchandise.
